Personal: My wife (Susan) and I have resided in Northvale, NJ for the past 25 years. We have two daughters (Gina and Nicole) that both earned doctorates in physical therapy from Boston University. I retired in 2015 after 40 years in education. Since retiring I've worked in several districts in an interim capacity – currently in Saddle River. I've served on two Boards of Education and currently sit on the council in Northvale, NJ. I still follow NJ high school wrestling and enjoy going to matches and attending the BCCA tournament.
